★ Opening Keynote

21st Century Influencer

Influencing positive change is the role of administrators. But when that positive change includes technology and people, most administrators find themselves comfortable with either one or the other, but NOT both! Guided by current change leadership research and an intimate knowledge of the technology that will empower students to engage in learning, Vicki "Cool Cat Teacher" Davis will challenge and inspire your thinking about technology and leadership.

★ Closing Keynote

Lighten Up and Laugh for the Health of It

Are you burned out? Is your LPD (Laughs per Day) average running low? Is it getting tougher and tougher to find humor in a world that is not always humorous. This keynote is guaranteed to leave you laughing while providing ways to use positive humor to promote a healthier, richer life. When we learn to laugh with others and take "humorists" we can open ourselves up to healing and living in the moment. This keynote takes a light look at the serious implications of positive humor in everyday life and work.
