

DENTISTRY

TRANSFER **Student Curriculum Guide**

CONTACT PERSON: Jean Rolandelli • Jack Science Center 201H 224-5401 • Jean.Rolandelli@bsc.nodak.edu

Students planning to enter a school of dentistry should complete three years of a four year college degree before applying.

Bismarck State College can provide the required courses for the first two years of an appropriate degree such as liberal arts with a major in biology or chemistry. An Associate in Science degree is awarded to those who complete requirements for the two-year program.

Applicants for dental schools are selected on the basis of academic performance, letters of reference from instructors, and the Dental Aptitude Test.

SUGGESTED CURRICULUM FOR ASSOCIATE IN SCIENCE:

FRESHMAN

CREDITS

College Composition I-II (ENGL 110-120).....	6
Fundamentals of Public Speaking (COMM 110)	3
*Pre-Calculus (MATH 107).....	5
