

## ***General Policy - Campus Beautification***

### **Purpose:**

To establish basic aesthetic expectations for Bismarck State College campus beautification.

### **Policy:**

All campus landscaping (trees, benches, sculptures, signage, etc.) and building alterations (painting, altering drapery, carpets, etc.) that are not part of the regular campus buildings and grounds plan shall:

1. be reviewed for recommendation by the Chief Buildings and Grounds Officer in consultation with the Executive Vice President,
2. if approved by the Chief Buildings and Grounds Officer and the Executive Vice President, they will submit the campus beautification request to the President for review and, final approval.

### **History of This Policy:**

First policy draft November 29, 2006.
