Monitor Position on Waitlist

1. Access CampusConnection.

2. Enter CampusConnection UserID and Password. Click [Log In].

On your Student Homepage:
3. Click [Manage Classes] tile.

On your left-side menu:
4. Select [View my Class Schedule].

5. When an opening is available, waitlisted student at the top of the list is registered and an email confirmation is sent to their campus email.

If the student at the top of the list has a registration restriction (i.e. – Hold, already enrolled in the same course different section, time conflict etc…) the wait list process will skip to the next qualified student on the list.
