

HANDS-ON LEARNING.
WORKFORCE READY.

Polytechnic Newsletter July 2022

Summer Camp Experience

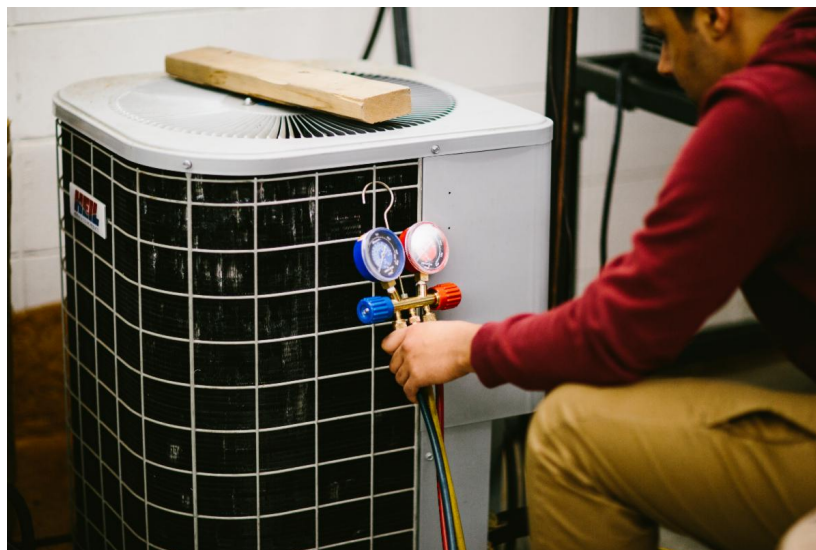

The [Sanford AirMed](#) helicopter landed on the campus of Bismarck State College on June 14 as a part of the BSC MedAdventure Camp. The BSC MedAdventure campers had the opportunity to explore this emergency service and meet the medical professionals who save lives every day. BSC's MedAdventure Camp offered kids ages 8-12 a chance to experience a wide variety of health careers and learn about how these careers connect to wellness, science, skills, and knowledge! Over the 3-day experience, each day featured a different topic-from muscles and bones to the brain and nervous system and included hands-on activities. Learn more about [Health Sciences](#) at Bismarck State College.

Robot & Virtual Reality Experience

Bismarck State College and the [Bismarck Larks](#) have teamed up to provide a very cool experience to all baseball fans this summer! A VR booth is available to fans ages 5 and older, and just outside the booth fans can also say hello to BSC's four-legged Quadruped.

Connecting Talent to Opportunity

At North Dakota's [Polytechnic](#) Institution, the goal is to prepare students to be workforce ready. Last month, students in BSC's Heating, Ventilation and Air Conditioning (HVAC) program gained valuable experience changing all the filters in the [National Energy Center of Excellence](#) (NECE) building at Bismarck State College. It was a great opportunity to move beyond the walls of the classroom and perform the hands-on work that these students will see in the field. The [HVAC](#) program is a 10.5 month program limited to 16 students each year.

Out & About

The 27th Annual BSC President's Cup Golf Classic was held on June 10 at the Prairie West Golf Course in Mandan. This annual tournament benefits BSC Athletic [Scholarships](#) and consists of four-person teams, 18-hole course, and a putting contest. Golfers were provided with a light breakfast, lunch, a golf cart, and wonderful weather. Door prizes were also given away and over \$20,000 was raised!

BSC CAMPUS TOURS

Campus tours for [Alumni & Friends](#) will be offered on July 13 at both 2:00 p.m. and 6:00 p.m. Meet at the BSC Student Union for a 90-minute tour that will include the NECE building, Health Sciences facility, Jack Science Center, LEA Hall, and Schafer Hall. No cost to participate and refreshments will be served. Please RSVP by July 11 to [Christina Burns](#).
