

HANDS-ON LEARNING.
WORKFORCE READY.

Polytechnic Newsletter March 2022

Open House March 22

BSC will be hosting an in-person [Open House](#) on March 22 to introduce the community to growing career opportunities in **Energy and Manufacturing**. Attendees can meet with industry representatives and learn more about manufacturing, energy, and automation programs. There will also be a drawing for a \$500 scholarship!

Training Solution

Workforce is the most critical resource for your business and industry and that's why engagement and connection with Bismarck State College North Dakota's Polytechnic Institution is so important.

BSC has a unique opportunity, and a very important responsibility. We influence community development, workforce development, and economic development. Strong communities require a strong workforce; a strong workforce requires a strong economy; a strong economy requires communities where people want to live, work, and grow their business.

Connecting Talent to Opportunity

Podcast Recap

In February, Josh Randolph, the Director of Career, Advising and Counseling Services for Bismarck State College presented at **1Million Cups**. Josh shared how higher education institutions are using the **Handshake** platform to connect students with careers and employers. In a follow up to Josh's presentation, Kate Herzog, *Chief Operating Officer*, **Downtowners Bismarck** invited Josh to speak on her **BSC-Handshake Podcast**. Read more about **online career services** provided at BSC.

Out & About

On March 7th, BSC Associate Professor of Civil **Engineering Technology**, Dave Sagsveen and BSC Associate Professor of **Mathematics**, Katrina Eberhart spent the day at the University of Jamestown. Both were on hand to introduce 8th graders to potential career opportunities in their respective fields of study and to highlight the importance of STEM (Science, Technology, Engineering, and Math).
