

## October 2019 EADA Report on Athletic Program Participation Rates & Financial Support Data

The Equity in Athletics Disclosure Act (EADA) requires a school that has an intercollegiate athletic program to make prospective students aware of its commitment to providing equitable athletic opportunities for its male and female students. As part of this requirement, each fall schools must make certain information available upon request to students, prospective students, and the public in easily accessible places and must also report the information to the US Department of Education. Data reported is for the 12-month period of August 1, 2018 to July 31, 2019.
