

General Policy - Campus Beautification

Purpose:

To establish basic aesthetic expectations for Bismarck State College campus beautification.

Policy:

All campus landscaping (trees, benches, sculptures, signage, etc.) and building alterations (painting, altering drapery, carpets, etc.) that are not part of the regular campus buildings and grounds plan shall:

1. be reviewed for recommendation by the Chief Buildings and Grounds Officer in consultation with the Vice President of Operations/Chief Financial Officer.
2. if approved by the Chief Buildings and Grounds Officer and the Vice President of Operations/Chief Financial Officer, they will submit the campus beautification request to the President for review and, final approval.

History of This Policy:

First policy draft November 29, 2006; September 23, 2019.

Reviewed – February 10, 2014.
