

General Policy – Solicitations and Posting Materials

1. BSC permits commercial solicitation that would be of clear benefit to BSC students or employees, and if the commercial solicitation has been approved by the BSC facilities scheduling office (224-5686). Solicitation may occur only in areas designated and may not obstruct student activity nor interfere with the college environment. Violations should be reported to the BSC facilities scheduling office (224-5686).
2. Solicitations of funds by employees, students or student organizations for College-related activities must be approved in advance by the Vice President or Associate Vice President assigned to the area initiating the request.
3. Persons or organizations do not have the right to access campus buildings or set up tables in buildings or on the campus grounds, to solicit petition signatures. However, individuals are free to stand out on sidewalks within public right-of-way for this purpose.
4. Political advocacy materials may be placed by outside organizations or internal campus/student organizations on the Student Union bulletin board where general information materials are normally posted. Such materials shall not be posted on bulletin boards in other BSC buildings, offices or classrooms, or upon notice-boards set aside for specific purposes (for internal groups only, exceptions may be made with appropriate approval from the BSC facilities scheduling office). Courtesy should be observed in connection with the size of posters, the amount of space occupied, and the time that materials are left in place. To ensure a clean appearance, materials should be removed after they have served their purpose. They are not to be taped on to the walls of any building.
5. Political campaigning or advocacy materials shall not be distributed through internal campus mail or email unless they are the announcement of an activity or event sponsored by a recognized campus/student organization.
 - a) No person may use any property belonging to or leased by, or any service which is provided to or carried on by, either directly or by contract, the state or any agency, department, bureau, board, commission, or political subdivision thereof, for any political purpose.

6. In no case will advocacy materials be permitted on campus which contain vulgarity, unwarranted or unreasonable attacks upon the character of individuals, or contain statements which violate public law.
7. Advertisements for alcohol sales and bars are not allowed to be posted on campus. These advertisements will also not be allowed electronically or printed in BSC publications (reference - Alcohol and Illegal Drugs student policy - <http://www.bismarckstate.edu/uploads/resources/358/AlcoholandIllegalDrugs.pdf>).
